

FICHA N°	93
PROVINCIA	JUJUY
TITULO	Tecchnical report on The Salar Olaroz Lithium-Potash Project
AUTOR	Houston Jhon, Gunn Michael.
PAIS	Argentina
FECHA DE PUBLICACION	2011
RESUMEN	Orocobre Ltd, through its wholly owned Argentine subsidiary Sales de Jujuy S.A. (formerly Orocobre S.A.) hold interests in just over 700 km ² of mining tenements over, and in the vicinity of, the Salar de Olaroz in northwestern Argentina. These properties cover aquifers that host a brine body with elevated levels of lithium, potassium and boron.
